

## UNNAT BHARAT ABHIYAN 2.0, SCSVMV

### Minutes of meeting with representatives from Shri AMM Murugappa Chettiar Research Centre (NGO), Taramani, Chennai on 15-10-2019

In connection with the activities of Unnat Bharat Abhiyan (UBA) scheme of SCSVMV, a meeting was arranged in the department of Physics of our Mahavidyalaya on 15.10.2019 with the representatives from Shri AMM Murugappa Chettiar Research Centre, Taramani, Chennai. Following discussions were made.

1. It is decided to request AMM Murugappa Chettiar Research Centre to install the technologies developed by them at our adopted villages at their own cost for which monitoring and data collection support will be extended by CSE team of Mahavidyalaya.

2. It is planned to submit joint proposals to Unnat Bharat Abhiyan for developing a new technology that suit to our adopted villages which may help them to overcome their existing problems. Few areas identified for joint proposal are

- Joint project - Crop disease identification using Machine Learning through App interface along with remedy suggestion.
- Joint project for the development of App for Water quality sensing with feedback .
- Web portal for uploading data from different implementation points and report generation

3. It is proposed to organize skill development/entrepreneurship related training programs for our students and villagers from the adopted villages which may help the beneficiaries.

4. It is also planned to sign MoU between SCSVMV and Murugappa Chettiar research institute, Chennai for effective collaboration.
