

Report on Swachh Bharat – Swachh Pakhwada activities conducted by the Department of Physics, SCSVMV

**on
29.09.2016**

A cleaning activity was organized by the department of Physics, SCSVMV on 29th September, 2016 at the department towards Swachh Bharat Initiative Swachh Pakhwada. A total of 70 student volunteers from the department participated in the cleaning programme. The student volunteers were separated in to three groups and involved in various cleaning activities. One group of students carried out the cleaning work and rearranged the books at the department library. The second group cleaned the physics lab and removed the unnecessary items. The third group was involved in cleaning and rearranging of various files of the department. The whole area of the lab was cleaned neat and tidy. The volunteers were instructed to clean their hands with soap at the end.

All the department staff members coordinated the activities and guided the students for the smooth progress of the above work in a more safe way. At the end, the student volunteers were appreciated for their noble participation in the event and thereby setting examples for others towards Clean India initiative.
