### Report on Two Days Eye Checkup Programme

The NSS wing of SCSVMV successfully organized a "Eye Checkup Programme" in association with SJS Medical Centre of SCSVMV. Which is held on 08.01.18 and 09.01.18 at Seminar Hall, Ground floor, First Year Block, SCSVMV. Programme Coordinator Dr.P.Nagarajan welcomed the honorable registrar Prof. Dr. G.Srinivasu and others dignitaries. Program Office Dr.S.Siva Gurunathan introduced the eye specialists Rajasekar and Kalaiselvan from Dr. Agarwal Eye Hospital, Kanchipuam. for the two days Eye checkup programme. Dr. Sainathan, (SJS Medical Centre,SCSVMV) has taken care of arrangement of eye specialists for this programme. Our Registrar honored the eye specialist with a shall for their free service.

The eye check up programme started at 10.00 a.m on 08-01-2018, and our NSS student volunteers (Five students from B.Com) has taken care of maintenance of good discipline

throughout the programme. The NSS Program officers directed the volunteers to have a list of students names branch wise who wish to check up their eyes. The NSS volunteers have collected the list of students participants name branch wise a day before the programme starts. They issued the registration form to each participants and they allowed the students participant accordingly and maintained the qeueue. The programme ends at 4.P.M on the first day (08.01.18) and again started at 10.A.M on the second day (09.01.18) and ended with 4.P.M.

Nearby 280 people were checked their eyes including students and staff of our SCSVMV. After the eye checkup of each participant, the results are written in their respective registration form by the concerned eye specialist. The eye specialist gave valuable advice and suggestion to participant whenever required. The other program officer Mr.R.Mageswari and Mr.S.Chandramohan are also rendered their service for the successful completion of the programme.
